

School Improvement

On, September 23, 2005, the Instruction and Assessment subcommittee was formed to examine and focus on improving student performance in the core academic areas. Members of this committee include: Mark Bathke, Ed Brogie, Jill Hoelsing, Les Owen, Maggie Huetig, Carol Manganaro, Sue Stingley, Arlys Monson, Star Smith, Clayton Steele, Jim Clark, Patti Cunningham, Chuck Potosnyak, Mary Hansen, Melissa Haisch, Carol Clark, and Karla Pippitt. Cochairs selected were Carol Manganaro and Star Smith. Karla Pippitt and Sue Stingley will serve as recorders. The committee discussed possible members for the external visitation team as well as additional committee members from the area.

The committee recognized the following goals:

1. improve instruction
 - a. implement CLPS electronic lesson plans
 - b. receive APL training update
 - c. improve student writing through Step Up To Writing methods

2. improve assessment
 - a. receive online assessment training for all staff
 - b. have custom training for individual needs
 - c. implement online standards assessment

After discussion the committee recommends that the Eckbergs be contacted and asked to train all staff on the online assessment.
